

ALLOY WHEEL INSURANCE - OPTIONAL

If You have selected Alloy Wheel Insurance and have paid any additional premium required (please see Your Proposal Form for inclusion) You will be entitled to the following additional cover:

WHAT IS INSURED

This Insurance is designed to pay for the reasonable repair or Replacement Cost of Alloy Wheel(s) that have incurred accidental rim damage (kerbed) during normal everyday on the road driving, rendering the wheel un-roadworthy, during the Period of Insurance, whilst Your Vehicle is within the Geographical Limits, subject to the conditions and exclusions and Excess set out herein.

Claim Limit: You are Indemnified against reasonable Repair Costs up to the Single Claim Limit of £400 inc VAT, and up to a maximum of four (4) valid claims within the Sum Insured of £1200 inc VAT.

Repair or Replacement Cost: the reasonable cost of repair materials, including the reasonable labour cost of repairing, fitting and balancing of the wheel and tyre (or) the reasonable cost of a like for like (original) wheel of similar make and quality as the damaged wheel, including the reasonable labour cost of fitting and balancing of the wheel and tyre.

Excess: You agree to meet the first £25 of any valid claim.

Exclusions: The following are specifically excluded from the cover: Wheels damaged due to off-road use, racing or rallying, wheels which are corroded or porous, damage to stud holes, spare wheels including space saver wheels. Other exclusions are detailed on page 25.

Please Note: We reserve the right to specify the use of similar (like for like) replacement wheels with regard to the make and specification of Your wheel(s) before the damage. We shall continue to provide cover on the repaired or replaced wheel following a valid claim within the maximum number of valid claims and Sum Insured. Any suspected criminal damage to wheels should be reported to the police (within 48 hours) and an incident log number obtained which will be required by Warrantywise before any valid claim can be authorised.

KEY & LOCK PROTECTION - OPTIONAL

If You have selected Key and Lock Protection and have paid any additional premium required (please see Your Proposal Form for inclusion) You will be entitled to the following additional cover:

WHAT IS INSURED

This Insurance is designed to pay for the reasonable repair or Replacement Costs of Your Vehicles ignition and door keys(s) that have been broken, lost or stolen and/or Your Vehicles key operated lock(s) that have been broken or damaged during the Period of Insurance, whilst Your Vehicle is within the Geographical Limits, subject to the conditions and exclusions set out herein.

Claims Limit: You are Indemnified against reasonable repair or Replacement Costs up to the Single Claim Limit of £750 inc VAT, and up to the aggregate Sum Insured of £1500 inc VAT.

Repair or Replacement Cost: The reasonable cost of parts and labour for new key(s) and/or lock(s) in order to effect the replacement or repair of such items. Any suspected theft of keys and/or criminal damage to locks should be reported to the police (within 48 hours) and an incident log number obtained which will be required by Warrantywise before any valid claim can be authorised. We shall continue to provide cover on the replacement key(s) or lock(s) following a valid claim within the Sum Insured.

Excess: You agree to meet the first £25 of any valid claim.

Exclusions: This cover does not extend to include any Part of the central (or automatic) locking or alarm mechanism and also excludes the replacement of key fob batteries. Other exclusions are detailed on page 2
